TOUR: KINGS ROAD

We take you for the tour of historical austrohungarian road, a real masterpiece of stone building. Along the road, you will enjoy viewpoints, hidden monuments of love, experience local bowling (bućanje) by the lake or try natural cocktails made with a snow from the local snowpits!

The tour is done by **off-road vehicles** in the central part of Orjen massive, with mountain passage "Orjensko Sedlo" (1600 m) as a main destination. That altitude offers perfect microclimate conditions during summer for all kinds of outdoor activities.

We will introduce you to "Bucanje" – old Mediterranean variation of bowling game. Also we will walk through the "Outdoor Technology museum" of its own kind, visit the nearby **snowpit** and taste unique cocktails: **Orjen** and **Prince's Icecream**.

Orjenska lokva and Veliki kabao (1894 m)

Price: 35 €

TOUR: *KINGS ROAD*

While off-roading on the old macadam road Vrbanj-Orjen Sedlo, there is one special place that required the best of building skills and effort to overcome the cruelty of Orjen – that place is unique for having an unusual monument... **MONUMENT OF LOVE!**

The **STONE**  is built in the massive subwall that holds the road, and it is unlike anything that symbolize austrohungarian discipline

and difficult times that Europe was facing expecting WW I...

The complete story will be provided while on the tour. The place can also be visited on your own.

There is a believe that kissing your partner on this place will keep your love forever with the **STRENGTH** of the **STONE HEARTH!**

TOUR: TREASURE FROM THE OF ORJEN

This hiking tour is located within Nature Park Orjen, in the attractive mountain landscape of Herceg Novi hinterland. During the 2 hour long tour you will be introduced to the local **cultural landscape** located under the 300 m tall cliff of “**Subras amphitheater**”, while main destination is the “**Snow pit**” – place that contains the snow even during the hottest days of summer! In order to keep the local tradition, there we will prepare the **unique cold refreshments** for tasting: “**Dragon’s Gorge**” and “**Mountain Icecream**”.

TOUR: HERCEG NOVI TIMEMACHINE

From the heart of the old town and its fortresses, we are taking you by the old macadam path to the town hinterland - area known for hidden shelters, great historical battles, old bridges, forgotten springs... Besides, we will take you back in time to show you traditional living in this magical place, located between mellow Boka and harsh Orjen.

TOUR: ZLIJEBI VILLAGE

Price: 20 €

TOUR: ZLIJEBI VILLAGE

Hiking through the cultural landscape and geo-heritage with amazing viewpoints towards the entrance of Boca Bay.

This tour takes you by the old walking path with many viewpoints that is evenly attractive as the final destination – Zlijebi Village. The village is characteristic for the locally excavated sedimentary stone, used to build an entire village, from roads to roofs.

This all year tour is suitable for the average user with the moderate level of fitness.

Mountain running through Subra's amphitheater

There are many other activities that we can organize for you upon your request:

HIKING & MOUNTAINEERING

There is a big range of hiking paths on Orjen that are suitable for everyone – from those with high difficulty level that take you to the highest peaks of the central massive, to those labeled as low difficult paths, suitable for everyone.

MOUNTAIN BIKING

Do not miss riding the macadam road through the picturesque landscape of the Nature Park Orjen and its surroundings. Main attraction of this type is the route Vrbanj – Orjen Sedlo

MOUNTAIN RUNNING

Mountain running is available on Orjen through many marked trails with different difficulty levels.

VERTICAL SPORTS

Free climbing, alpinism and speleology belong to adrenalin sports that can be enjoyed in this area. We recommend “Miškovića greda” for free climbing, and “Subra’s amphitheater” for alpinism. Speleologists can enjoy a widerocky area of the higher parts of Orjen. There are areas that can be explored without special equipment, but mostly equipment is required for exploring pits.

PARAGLIDING FLIGHTS FROM ORJEN

For those who love heights we offer paragliding tandem flights with the certified instructor.

This is the best chance to enjoy the breathtaking panoramic view of Herceg Novi hinterland. The authorized take off place is located on the south side of Orjen mountain, while landing is near the sea level in place called Zelenika.

The flights are organized by the paragliding club Adria Fly.

ADVENTURE PARK VRBANJ

ADVENTURE PARK VRBANJ

The park was built in a beech forest on Vrbanj in the Herceg Novi hinterland, respecting all environmental protection standards using only natural materials. It is located at 1100 m above sea level and is one of the most modern adrenaline parks in the region. The park spreads over 7,000 square meters on which 44 elements are arranged in four polygons, and as a special fifth polygon there is a 200-meter long zip-line. The polygons are divided into categories - from the easiest - adapted for children from 6 years, to the most complicated - adapted to slightly more skilful and experienced users.

Within the park there is a landscaped area for rest and recreation in nature. At the same time park serves as a starting point for other activities within Nature Park Orjen.

Opening hours are adapted according to season and weather conditions.

ECO VILL ORJEN

A photograph of a traditional stone house with a green door and window. A white cat with dark spots is sitting on the windowsill. A chicken is visible in the foreground. The house is built with rough-hewn stone blocks. A red banner at the top right contains the text 'ECO VILL ORJEN'. A white text box at the bottom left contains a paragraph of text. A white text box at the bottom right contains the caption 'Typican village household'.

ECO VILL ORJEN

Villages within Orjen area kept the traditional style of living and closeness to nature. While visiting them, you will be introduced with the ancient house building process, meet domestic animals in the natural habitat, taste the local food and traditional dishes...Locally produced souvenirs are also available for purchase.
